You're invited to the 5th Annual Wildcat Classic at Westfields Golf Club

Our tournament is held in order to benefit the athletic teams at Centreville High School, a member of the Fairfax County Public School system. CVHS offers 21 varsity sports teams, along with 20 junior-varsity & freshman teams. The Wildcat Boosters, our tournament host, sole purpose is to provide additional funds to support these teams above & beyond the funding provided by CVHS & FCPS. The Boosters also strive to bolster school spirit & sportsmanship, as well as ensuring that every student-athlete & spectator has a positive game-day experience.

Our 2008 outing was a great success as our tournament field filled grew by 50% from 2007. The field included members & alumni of the Wildcat athletic program, as well as CVHS alumni & parents, friends of the program, event sponsors, & local business & community members. We would very much like to build upon our success from last year, so we hope you can join us & pass the word along to any other who might be interested. For more information, please visit our event website.

**WESTFIELDS
GOLF CLUB**

As we enter our 5th year, we're happy to be returning to Westfields. Designed by PGA tour pro Fred Couples, Westfields is described as a course that is fun & accessible for the novice, while challenging & thought-provoking for the experienced golfer. Fred's professional play on hundreds of courses around the world coupled with his experience in countless tournaments and team

competitions have given him exceptional insight into golf course design. It is perfectly exhibited at Westfields.

What sets Westfields apart from other golf clubs is not only its exceptional playability, but the interest it takes in the traditional elements of the game. Carved through natural wetlands, rolling hills, and majestic beech and oak trees, Westfields offers golfers a setting that is virtually free from distraction. No residences line its links, creating a course that is truly a golfer's dream. All of this, together with the kind of service found only in private golf clubs, make Westfields a place where golf enthusiasts can always enjoy a great round of golf.
